

SECOND ANNOUNCEMENT Call for papers

Dear Sir/Madam,

We would like kindly remind you of our invitation to participate in

The 12th International Conference on Measurement that will be held from 27 to 29 May 2019 in the [Smolenice castle](#) situated in Small Carpathian mountains near Bratislava, Slovakia. The main topics of the conference will cover three areas:

- **Theoretical Problems of Measurement,**
- **Measurement of Physical Quantities,**
- **Measurement in Biology and Medicine.**

This year we are preparing also **special sessions** with invited and contributed oral contributions. If your paper fits the topic of the special session you can ask for participation. Authors of selected accepted papers will receive **an invitation letter** to present an invited lecture within the session. The topics of the special sessions are:

- **Methods for Measurement Evaluation in Metrology**
- **Imaging Methods of Biological Objects**
- **Causal Relations in Measured Data**
- **Advanced ECG Measurement, Simulation and Evaluation**

Traditionally also the **Young Investigator Award (YIA)** competition for researchers not older than 35 years is organized.

The **deadline** for paper submission is **15th March 2019**. Please, check your preferences after uploading your paper.

Authors of selected papers will be invited for publication of the topic in extended form in the impacted **on-line journal Measurement Science Review** (<http://www.measurement.sk/>) published by Sciendo, de Gruyter company and indexed in Current Contents Connect, Thomson Scientific SSCI, Scopus, EBSCO and several other databases.

For more information see the Conference website: <http://www.measurement.sk/M2019/>

Preliminarily confirmed keynote speakers are:

- **Ignacio C. Lira**, Pontifical Catholic University of Chile, Santiago, Chile
- **Milan Paluš**, Institute of Computer Science, Czech Academy of Sciences, Praha, Czech Republic
- **Pavel Jurák**, Institute of Scientific Instruments, Brno, Czech Republic
- **Yesim Serinagaoglu**, Middle East Technical University, Ankara, Turkey
- **Martin Krssak**, Med Univ Vienna, Austria

We are looking forward to meeting you at the conference!

Ján Maňka
