

# 14th International Conference MEASUREMENT 2023

May 29 - 31, 2023  
Smolenice Castle, Slovakia

## Organized by

Institute of Measurement Science  
Slovak Academy of Sciences, Bratislava, Slovakia

## Technical sponsorship

IEEE Czechoslovakia Section  
Slovak Metrological Society  
Slovak National Committee U.R.S.I.  
Slovak Society of Biomedical Engineering and  
Medical Informatics

## Conference Announcement Call for Papers

## Conference Chairman

J. Maňka, Slovakia

## International Program Committee

J. Švehlíková, Slovakia, chairman	V. Novickij, Lithuania
B. Antić, Serbia	M. Paluš, Czech Republic
I. Bajla, Slovakia	K. Roubík, Czech Republic
M. Bittera, Slovakia	Y. Serinagaoglu, Turkey
V. Boháč, Slovakia	M. Soleimani, UK
K. De Buysser, Belgium	Z. Starčuk, Czech Republic
E. Cocherová, Slovakia	M. Štork, Czech Republic
I. Frollo, Slovakia	S. Takayama, Japan
R. Hartánský, Slovakia	M. Tarata, Romania
P. Jurák, Czech Republic	P. Tino, UK
B. Kessel, Sweden	D. Tyler, UK
O. Kochan, Ukraine	M. Tyšler, Slovakia
R. Köning, Germany	J. Volaufova, USA
I.C. Lira, Chile	G. Wimmer, Slovakia
J. Markovič, Slovakia	V. Witkovský, Slovakia
K. Meigas, Estonia	A. Woźniak, Poland
V. Mlynarik, Austria	

## Local Organizing Committee

A. Dvurečenskij, Chairman	B. Ondrušová
E. Gurišová	Z. Rošťáková
D. Gogola	M. Škrátek
M. Chvosteková	M. Teplán
J. Jakubík	L. Zelieska
A. Krafčík	

## General Information

The conference on measurement science, technologies and devices will be held in Smolenice castle situated in Low Carpathian mountains near Bratislava, Slovakia. The conference topics will cover three main areas: theoretical problems of measurement, measurement of physical quantities and measurement in biology and medicine. The titles of special sessions and the names of keynote speakers will be published in the second conference announcement. Conference proceedings in electronic form will be available at the time of the conference and will be submitted to IEEE Xplore. Authors of selected papers will be invited to publish their manuscript in an extended form in the on-line journal Measurement Science Review.

## IMPORTANT DATES

<b>December 20, 2022</b>	- Deadline for special sessions proposals
<b>January 15, 2023</b>	- Registration opening - Paper submission opening
<b>March 10, 2023</b>	- Paper submission deadline (.doc or .docx, max. 4 pages, 5 MB)
<b>April 14, 2023</b>	- Notification of acceptance - Reviewers' comments
<b>April 28, 2023</b>	Deadline for - guaranteed accommodation, - early registration rates, - submission of corrected papers, - registration with published paper
<b>May 29 - 31, 2023</b>	Conference

## Address for Correspondence

Institute of Measurement Science SAS  
MEASUREMENT 2021 Secretariat  
Dúbravská cesta 9, 841 04 Bratislava  
SLOVAKIA  
Phone: +421 2 5910 4511  
Fax: +421 2 5910 4594  
E-mail: [measurement2023@savba.sk](mailto:measurement2023@savba.sk)  
Web: [www.measurement.sk/M2023](http://www.measurement.sk/M2023)

## Aim of the Conference

Aim of the conference is to present recent developments in theory of measurement, measuring methods and measuring devices for research, industry and medicine.

The conference will offer an opportunity to exchange personal expertise and establish new professional contacts. Special sessions will give insight into selected areas of measurement theory and technologies.

## Main Conference Topics

### Theoretical Problems of Measurement

- theory of measurement
- mathematical processing of measured data
- uncertainty in measurement
- statistical methods in data evaluation and modeling
- causality in measured time series
- image and signal processing techniques in measurement
- metrology and applications

### Measurement of Physical Quantities

- measurement of basic physical quantities
- magnetic and electric fields measurements
- measurement in material science
- measurement of geometrical and mechanical quantities
- measurement in electromagnetic compatibility
- imaging measuring methods
- correlated multimodal measurements
- measurement in nanotechnology

### Measurement in Biomedicine

- biosensors
- bioelectric and biomagnetic fields measurement
- biosignal measurement, processing and analysis
- medical imaging, image processing and technologies
- model based biomeasurements
- neural networks in biomeasurement
- telemeasurement in biomedicine
- measurement in nanomedicine

## Conference Program

Keynote speakers, invited lectures, oral presentations and posters will be included in the conference program. **Special sessions** will be set up under the auspices of the organizers and sponsoring professional societies. Call for special sessions will be closed by **December 20, 2022**. Outline of the conference program and detailed scientific and social program will be announced on the conference website. The conference language is English.

## Paper Submission

Camera-ready papers should be submitted in Microsoft Word format “.doc”, “.docx” or in LaTeX format **by March 10, 2023**. Authors have to sign-in on the conference website and upload the paper in requested format. Manuscript updates can be uploaded until the submission deadline. Each paper will be reviewed by at least two reviewers. Decision on paper acceptance and suggested corrections will be announced by **April 15, 2023**.

Maximum 4 pages are allowed for regular papers. One registered author is allowed to submit maximum of two papers. Template paper including all necessary formatting is available on the conference website [www.measurement.sk/M2023](http://www.measurement.sk/M2023).

## Registration and Fee Payment

Participants can register by signing-in and filling the registration form on the conference website [www.measurement.sk/M2023](http://www.measurement.sk/M2023). Registration is valid after the conference fee is paid to the Conference Secretariat.

Early registration fee is **540 €** for regular participants, **480 €** for IEEE /SMS /URSI members, **300 €** for students and **250 €** for one-day participants. Regular fee includes conference materials, admission to all conference sessions and coffee-break refreshments, welcome dinner, farewell barbeque, social program and conference bus transport from/to Bratislava. The registration fee for accompanying person is **250 €**. Guided tour will be organized during the conference sessions for accompanying persons, who are not allowed to attend the scientific program. Late registration fees after **April 30, 2023** will be increased by **100 €**.

Payment is possible **by bank transfer or by card**. Details for both methods are shown on the conference website [www.measurement.sk/M2023](http://www.measurement.sk/M2023). Onsite registration can be paid by card or in cash.

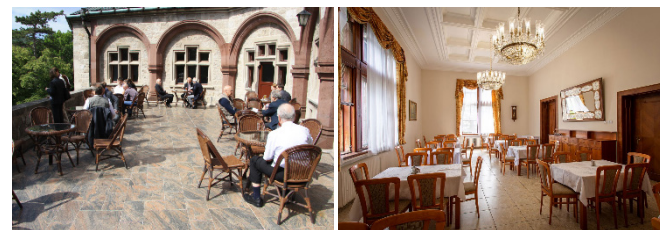

## Accommodation and Board

Accommodation and meals in the Smolenice castle can be ordered from May 28 to June 1, 2023 in the registration form. Depending on the number of beds in the room, the prices including breakfast are from **55 € per bed / per night**. Lunches and dinners can be ordered for **20 €** per meal.

## Conference Venue and Transportation

The 14th International Conference on Measurement will be held in the Congress Center of the Slovak Academy of Sciences in the Smolenice castle situated in Small Carpathians mountains about 60 km from Bratislava.

The original castle was rebuilt in the first half of the 20th century in romantic style. Now, after extensive renovation it offers full comfort of several well equipped conference rooms including videoconferencing and free wireless network connection. Accommodation is in suites, single, double or more bed rooms, all with their own bathrooms. Participants can rest in the quiet corners of the castle or in its gardens, or can walk in nice parks surrounding the castle.

The castle in Smolenice can be reached from Bratislava by bus, taxi or train. Besides the public transport, special free conference bus from/to Bratislava will be organized before and after the conference on May 28 and May 31, 2023.

Bratislava is accessible by plane (airport Bratislava or airport Vienna), by train or by bus.
